SPOKANE COUNTY AIR POLLUTION CONTROL AUTHORITY

February 4, 1992

Neil Thompson
Hazardous Waste Division
Environmental Protection Agency
Region X
1200 6th Avenue
Seattle, WA 98101

Dear Mr. Thompson:

As a follow-up to our conversations several months ago I would like to request that the Spokane County Air Pollution Control Authority be kept informed of all aspects of CERCLA activities within Spokane County. I have been assigned this task so any correspondence or documents should be sent to my attention.

Thank you for your help. I look forward to working with you.

Sincerely,

SPOKANE COUNTY AIR POLLUTION
